Thank you to all staff and their families who participated in the Somerset Parade! There was a great turnout to represent TLC this year!

If you haven't noticed the flowers that were planted by the females residents-check them out by the female pavilion! Thank you Amanda for planting flowers with the females and Thank you Ronna for donating the flowers to brighten up TLC!

Employee of the Month!

Amanda U – Has been selected for employee of the month for June. Amanda has been working primarily with the females since starting at TLC. Amanda has been forming well-rounded relationships with the ladies to help improve the treatment experience. Amanda came to work on an expected day off to cover a Sunday shift. Amanda is always willing to chip in and get newly scheduled admissions completed. Amanda communicates with outpatient in order to get the best possible appointment date before her patients leave Residential treatment. Amanda also continues that communication with the outpatient counselors before and after discharge. Thank you Amanda, for all your hard work and efforts to make the TLC experience the best it can be!

Paul T – has been selected for employee of the month for June due to his all-around kindness. Paul has made it a point to know and recognize every patient that walks through our doors. Paul is able to pass a patient in the hallways and talk to them by name and story. Paul has made it a point to introduce and make himself available to all staff and patients. Paul continues to ask staff if they need anything during times where he may have a few minutes. Paul continues to eat lunch in the staff lounge to build relationships with his colleagues. Thank you Paul for always being upbeat and positive!
