## New Beginnings in Outpatient

There have been quite a few changes in our Outpatient offices over the last few years. Now, with two new office locations and the addition of a partial program, our Outpatient offices continue to flourish.

The new addresses for our Ebsensburg and Bedford offices are as follows:

TLC Ebsensburg

Cambria Office Tower

313 W. High Street, Suite 212

Ebsensburg, PA 15931

TLC Bedford

9457 Lincoln Highway

Bedford, PA 15522

Our Johnstown location will be starting a partial program that will mirror the Somerset program by having 12 hours of group counseling and 2 hours of individual counseling a week. This program will start on August 18, 2014. Group will be held Monday through Thursday from 12pm to 3pm and individual sessions will be scheduled accordingly. If you have any questions, Kelly Martinek will be facilitating the partial program.

## Employee Recognition

Employees of the Month for July 2014

**Holly Hearth** is our admissions secretary and is recognized for her ability to schedule the safe arrivals and departures of our clients, helping with outpatient scheduling while others were on vacation and fixing hiccups in STAR.

**Marilyn Miller** is part of our amazing nursing staff at our Somerset location. Marilyn was recognized for her ability to cover a CRN at the last minute for a fellow staff member, volunteering to cover shifts, comforting our new admits and helping with insurance and medical assistance paperwork whenever she can.

Congratulations Ladies!
